

Highmount Named Best Multi Family Office by Private Asset Management

We are pleased to announce that Highmount has been named the Best Multi Family Office under \$2.5 billion by *Private Asset Management*, a leading trade publication.

Since 2002, Highmount has provided highly customized service to a select group of clients. "Since the opening of our Amsterdam office in 2008 and Zurich in 2010, Highmount has seen significant international growth as well as product innovation in global thematic investing, family governance and education. We are thrilled to be recognized for our success in providing trusted, independent financial advice to individuals and families on a global scale," said Maarten van Hengel, Partner.

The PAM Awards are designed for investment professionals and wealth advisors operating within the private asset management industry. Nominees are leaders who have demonstrated consistent financial progress, year-over-year growth in assets under management, excellence in client satisfaction, and innovative new services.

The judging process consisted of an independent panel of industry experts and the winners were announced on Thursday, February 17, 2011 during the PAM Awards Gala in New York City.

We are honored by this award and thankful to our clients and colleagues for helping us achieve this recognition.
